“ASBESTOS HAZARD ABATEMENT CONTRACTORS, SPECIALISTS & OTHER PROFESSIONALS”**

Notice is hereby given that the Director of the Ohio Environmental Protection Agency (Ohio EPA) has adopted amended rules 3745-22-01 to 3745-22-06, 3745-22-08, and 3745-22-09 of the Ohio Administrative Code.

The rules in OAC Chapter 3745-22 establish Ohio’s licensing, certification and approval requirements for business entities and individuals that are performing activities related to asbestos including contractors, training providers, supervisors, workers, inspectors and project designers. The amendments are required for Ohio EPA to apply for and obtain U.S. EPA approval of the Ohio EPA Asbestos Licensing/Accreditation Program.

The Director's order of adoption was issued on January 21, 2021. These adopted rules will become effective on **Sunday, January 31, 2021.**

The Director's action in this matter is pursuant to the procedural requirements of Ohio Revised Code Chapter 119 and is based upon the record of the public hearing conducted by Ohio EPA on October 9, 2020 and comments received during the public comment period.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Review Appeals Commission pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00, made payable to “Treasurer, State of Ohio,” which the Commission, in its discretion, may reduce if by affidavit you demonstrate that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General’s Office, Environmental Enforcement Section.
