Pursuant to Chapter 119. and Section 5164.02 of the Revised Code, the Director of the Ohio Department of Medicaid (ODM) gives notice of ODM's intent to consider the rescission of the rule identified below and of a public hearing thereon.

Ohio Administrative Code (OAC) Rule 5160-2-14, entitled "Potentially preventable readmissions," is being proposed for rescission. This rule implemented the provisions relating to the reimbursement of inpatient hospital services under the Ohio Medicaid program to reduce preventable hospital readmissions. A hospital with excess readmissions, which was defined as an actual-to-expected readmission ratio of greater than one, was subject to a reduction of their hospital-specific base rate equal to one percent. ODM has not been assessing the penalty since 2019 when it determined that the software used did not achieve the department's original intended goals. ODM has decided to permanently end the program.

ODM will hold the public hearing for this rule package via teleconference and in person. ODM will not require masks for individuals attending in person. However, visitors are welcome to wear masks if that is their preference. The date and time for the public hearing are listed at the top of this Notice as well as the phone number, PIN (access code), and link for teleconference attendance, and location for in-person attendance.

All interested parties are invited to participate in the public hearing. Both oral and written testimony will be accepted for this hearing and will be given the same consideration. Persons who want to give oral testimony are asked to send a message by e-mail to Rules@medicaid.ohio.gov no later than one hour before the hearing to be added to the witness list. Those attending in person can be added to the witness list at the hearing. There will be a final call at the end of the hearing for persons who wish to offer oral testimony but are not yet on the witness list.

Written comments submitted in-person, by e-mail, postal mail, or fax that are received or postmarked no later than the day of the hearing will be accepted as testimony and will become part of the hearing record. All testimony will become public record; therefore, ODM asks that protected health information (PHI) be excluded unless the information belongs to the person submitting the testimony or to a person for which the submitter is a legal guardian. Written testimony sent by e-mail is highly recommended. All persons who submit testimony by e-mail will be sent a confirmation of receipt.

A copy of the proposed rule is available, without charge, to any person at the address listed below.

The rule is also available on the internet at <http://www.registerofohio.state.oh.us/>. Requests for a copy of the proposed rule or comments on the rule should be submitted by mail to the Ohio Department of Medicaid, Office of Legal Counsel, 50 W. Town Street, Suite 400, Columbus, Ohio 43215-3414, by fax at (614) 995-1301, or by e-mail at Rules@Medicaid.Ohio.gov.

ODM is committed to providing access and inclusion and reasonable accommodation in its services, activities, programs, and employment opportunities in accordance with the Americans with Disabilities Act (ADA), Title VI of the Civil Rights Act, and other applicable laws. To request an interpreter, written information in a language other than English or in other formats (large print, audio, accessible electronic formats, other formats), or a reasonable accommodation due to a disability, please contact ODM's Civil Rights/ADA Coordinator at 614-995-9981/TTY 711, Fax 1-614-644-1434, or Email: ODM_EEO_EmployeeRelations@medicaid.ohio.gov .
