Pursuant to Chapter 119. and section 5164.02 of the Revised Code, the Director of the Ohio Department of Medicaid (ODM) gives notice of ODM's intent to consider the adoption of the rule identified below and of a public hearing thereon.

The Ohio Department of Medicaid (ODM) has been working in collaboration with the Ohio Department of Children and Youth (DCY) to establish sustainable funding for physical withdrawal care for infants born substance-exposed and their families. Rule 5160-18-02: "Pediatric recovery centers," is a new rule proposed for adoption. This rule will explain the general coverage and payment policies for pediatric recovery centers (PRCs) for ODM eligible recipients by eligible providers for whom such services are within the scope of practice. PRCs will also be residential infant care centers as described in Ohio Revised Code Section 5103.60. Ohio Administrative Code Chapter 5160-18 will be renamed "Family Wellness Centers" to reflect both Freestanding Birth Centers and PRCs in one chapter.

A PRC will be able to bill ODM and Managed Care Organizations a per diem rate which includes medically necessary services provided to an infant during their stay at a PRC for up to thirty consecutive days. A PRC will also be able to bill for services not included in the per diem reimbursement rate including but not limited to direct services provided to medicaid eligible parents or caregivers, healthcare-related transportation services defined in Chapter 5160-15 of the Administrative Code, services rendered by a provider of physician services and other services specifically authorized in rule promulgated under agency 5160 of the Administrative Code.

Should an infant need to stay at a PRC longer than thirty days, the PRC will be able to submit a prior authorization request for additional payment. A lack of post-discharge options alone will not be considered appropriate justification for a continued stay at a PRC.

ODM will hold the public hearing for this rule package via teleconference and in-person. ODM will not require masks for individuals attending in person. However, visitors are welcome to wear masks if that is their preference. The date and time for the public hearing are listed at the top of this Notice as well as the phone number, PIN (access code), and link for teleconference attendance, and location for in-person attendance.

All interested parties are invited to participate in the public hearing. Both oral and written testimony will be accepted for this hearing and will be given the same consideration. Persons who want to give oral testimony are asked to send a message by e-mail to Rules@medicaid.ohio.gov no later than one hour before the hearing to be added to the witness list. Those attending in person can be added to the witness list at the hearing. There will be a final call at the end of the hearing for persons who wish to offer oral testimony but are not yet on the witness list.

Written comments submitted in-person, by e-mail, postal mail, or fax that are received or postmarked no later than the day of the hearing will be accepted as testimony and will become part of the hearing record. All testimony will become public record; therefore, ODM asks that protected health information (PHI) be excluded unless the information belongs to the person submitting the testimony or to a person for which the submitter is a legal guardian. Written testimony sent by e-mail is highly recommended. All persons who submit testimony by e-mail will be sent a confirmation of receipt.

A copy of the proposed rule is available, without charge, to any person at the address listed below. The rule is also available on the internet at <http://www.registerofohio.state.oh.us/>. Requests for a copy of the proposed rule or comments on the rule should be submitted by mail to the Ohio Department of Medicaid, Office of Legal Counsel, 50 W. Town Street, Suite 400, Columbus, Ohio 43215-3414, by fax at (614) 995-1301, or by e-mail at Rules@Medicaid.Ohio.gov.
