

NOTICE OF PUBLIC HEARING

The Ohio Bureau of Workers' Compensation will hold a public hearing on June 2, 2025, at 10:00 A.M. in Room 1, Level 2, 30 West Spring Street, Columbus, Ohio 43215, to consider the following rules as summarized below.

4123:1-5-24 - Poles

4123:1-5-28 - Helicopters

Ohio Administrative Code 4123:1-5-24 and 4123:1-5-28 are two rules contained in the chapter of rules containing specific safety requirements (SSRs) for workshops and factories. These two rules govern the specific workshop and factory safety requirements for poles and helicopters, respectively.

The two rules contain minor changes regarding syntax and grammar. These proposed changes improve the consistency and clarity of the proposed rules and are not intended to provide substantive change to any proposed rule. The other proposed change is to separate out as an appendix the illustration presently contained in the body of Ohio Administrative Code 4123:1-5-28. This proposed change aligns this rule with Ohio Administrative Code 4123:1-3-23, which applies these specific safety requirements to the construction industry.

The full and complete text of the proposed rules is available on the Register of Ohio (<http://www.registerofohio.state.oh.us>) and Ohio Bureau of Workers' Compensation Rules Under Review ([Rules under review | Bureau of Workers' Compensation \(ohio.gov\)](#)) websites, and is on file in the office of the Secretary of State (180 East Broad Street, 15th Floor, Columbus, Ohio), the Legislative Service Commission (77 South High Street, 9th Floor, Columbus, Ohio), the office of the Joint Committee on Agency Rule Review (77 South High Street, Concourse Level, Columbus, Ohio), and the Bureau of Workers' Compensation, Legal Division (30 West Spring Street, 26th Floor, Columbus, Ohio).

All interested parties will be given an opportunity to be heard. Any interested party unable to attend the public hearing may submit written comments to the undersigned prior to the public hearing at enotification@bwc.state.oh.us.
