

**FEDERAL MEDICAID NOTICE**  
**OHIO DEPARTMENT OF MEDICAID**

Pursuant to CFR 447.205, the director of the Ohio Department of Medicaid (department) gives notice of the department's intent to adopt the 2024 Current Procedural Terminology (CPT) and Healthcare Common Procedure Coding System (HCPCS) codes.

**2024 CPT and HCPCS Coding Changes**

The 2024 annual CPT and HCPCS code updates are being adopted. These updates and previous quarterly updates from the Centers for Medicare and Medicaid Services are being incorporated into the appropriate payment schedules. Some new CPT and HCPCS codes will replace obsolete codes, in whole or in part. Some new codes represent entirely new procedures, for which no utilization patterns have been established. The department is taking these actions in order to remain in compliance with the federal Health Insurance Portability and Accountability Act (HIPAA).

The department considers that the adoption of new CPT and HCPCS codes and the discontinuation of obsolete CPT and HCPCS codes has no effect on annual aggregate Medicaid expenditures for the following categories of service:

1. Rural health clinic services;
2. Federally qualified health center services;
3. Other laboratory and x-ray services;
4. Physicians' services;
5. Licensed practitioners' services (includes services provided by Mechanotherapists, Registered Pharmacists, Physician Assistants, APRNs [Certified nurse practitioner]);
6. Durable medical equipment supplier services;
7. Clinic services (including service-based Ambulatory Health Care Clinic (AHCC) services);
8. Dental services;
9. Skilled therapy services (includes services provided by Physical therapists, Occupational therapists, Speech language pathologists, and audiologists);
10. Prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in diseases of the eye or by an optometrist;
11. Preventive services;
12. Rehabilitative Services: Substance Use Disorder services
13. Nurse-midwife services;
14. Certified Pediatric and Family Nurse Practitioners;
15. Freestanding birth center services.

Coverage of procedures, services, or supplies represented by new CPT or HCPCS codes, along with maximum payment amounts for non-institutional providers, will be published on the department's web site, <https://medicaid.ohio.gov/resources-forproviders/billing/fee-schedule-and-rates/fee-schedule-and-rates>.
