

**LEGAL NOTICE
STATE OF OHIO
OHIO DEPARTMENT OF MEDICAID**

Pursuant to section 1902(a)(13)(A) of the Social Security Act, the director of the Ohio Department of Medicaid (ODM) gives final notice of ODM's modification of provisions relating to the reimbursement of Intermediate Care Facilities for Individuals with Intellectual Disabilities (ICFs/IID) participating in the Medicaid program.

An initial notice was issued in **June 2024** to inform the public of proposed changes in reimbursement to ICFs/IID for Medicaid services. This final notice reflects the result of the public and legislative processes.

Am. Sub. House Bill (H.B.) 33, passed by the General Assembly, modified rates for ICFs/IID for state fiscal year (SFY) 2025. Specifically, rates for all ICFs/IID participating in the Ohio Medicaid program on July 1, 2024, are increased by an average of 10% over the average Medicaid per diem rate in effect for ICFs/IID on July 1, 2024. The rates for SFY 2025 reflect cost report data that considers current provider costs, assessments, inflation factors, and rate setting calculations performed by the Ohio Department of Developmental Disabilities. The change in reimbursement is necessary to comply with Am. Sub. H.B. 33.

If, as an interested party, you need further information regarding the rates for a specific ICF/IID under these methodologies, send an email to interagencypolicy@medicaid.ohio.gov.

ODM is committed to providing access and inclusion and reasonable accommodation in its services, activities, programs, and employment opportunities in accordance with the Americans with Disabilities Act (ADA), Title VI of the Civil Rights Act, and other applicable laws.
