

3737-1-06

**The deductible and the reduced deductible.**

- (A) The deductible is fifty-five thousand dollars, which deductible may thereafter be modified by the board pursuant to rule 3737-1-15 of the Administrative Code.
- (B) Any responsible person owning, or owning or operating, a total of six or fewer tanks may purchase the reduced deductible of eleven thousand dollars, which reduced deductible may thereafter be modified by the board pursuant to rule 3737-1-15 of the Administrative Code, for all tanks owned by the person eligible to elect the reduced deductible. The additional fee due for the reduced deductible shall be two hundred dollars per tank.
- (C) If a responsible person discovers one or more underground storage tanks, which were previously unknown to the responsible person and which have not been registered with the fire marshal pursuant to rule 1301:7-9-04 of the Administrative Code, on his property, the discovered underground storage tank(s) shall not affect the responsible person's qualification for the reduced deductible for any fiscal year prior to and including the fiscal year of discovery. If the responsible person is required to demonstrate financial responsibility for the discovered underground storage tank(s), the discovered tank(s) shall be used to determine the responsible person's qualification for the reduced deductible in succeeding fiscal years.
