6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

Pursuant to division (E)(6)(a) of section 3964.03 of the Revised Code, the superintendent shall establish an acceptable total capital and surplus requirement for each insurance company that will cede risks and obligations to a special purpose

financial captive insurance company. Rule 3901-6-11 of the Administrative Code, establishes the information required by the superintendent in order to make such determinations.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

Rule 3901-1-06 of the Administrative Code, provides the requirements for information that must be submitted to the superintendent in making a capital and surplus determination. This must include an actuarial report that includes a risk evaluation and any additional information the superintendent deems necessary.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so. If applicable, indicate each specific paragraph of the rule that has been modified:
