FYR and HB83

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; if the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule addresses qualifications for psychologist licensure (admission to examination for the license). The rule requires numerous changes secondary to amendments to our law in ORC 4732.10 (B)(3)(d) stemming from HB83, which struck a requirement that the board recognize a "degree deemed equivalent to a doctoral degree in psychology or school psychology." That was long ago phased-out in rule, and the last application to be considered as an "equivalent degree" was received in May 2010. Paragraphs (A)-(G) are being deleted because they were all related to the requirements to be met for the board's (no longer existent) "degree deemed equivalent to a doctoral degree in psychology or school psychology." There is also the deletion of reference to the citizenship requirement in 4732.10 (B)(4) because in HB83 that (B)(4) was deleted (citizenship was declared unconstitutional for licensure in 1977). Supervised training in psychological research and teaching at the internship training level are added to (B)(1)(b)(x) and limited to 30% of the training time as is done in (A)(6) for doctoral students and in (B)(2)(d)(xi) for trainees in academic settings wishing to use up to 30% of training time in research or graduate teaching of applied psychology.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:
