

5122-24-01      **Certification definitions.****(A) Purpose**

The purpose of this rule is to provide definitions for key words and phrases used in the department certification standards.

**(B) Applicability**

The following definitions apply to Chapters 5122-24 to 5122-29 of the Administrative Code:

- (1) "Abuse" means any act or absence of action inconsistent with human rights which results or could result in physical injury to a person served, unless the act is done in self defense or occurs by accident; any act which constitutes sexual activity, as defined under Chapter 2907. of the Revised Code, where such activity would constitute an offense against a person served under that chapter; insulting or coarse language or gestures directed toward a person served which subjects the person served to humiliation or degradation; or depriving a person served of real or personal property by fraudulent or illegal means. For children, the definition of abuse is the same as in sections 2919.22 and 2151.031 of the Revised Code.
- (2) "Acceptability" means the way in which the agency ensures that its services and activities are sensitive to the individual needs of people, and that the agency addresses issues of freedom of choice, and of ethnic, racial, gender and cultural characteristics. Acceptability includes seeking out the advice of people being served, or of populations who may not be receiving sufficient services as reflected by a comparison of community demographics and the demographics of persons served by the agency, in order to understand how acceptability varies within the general population.
- (3) "Accessibility" means the ability for persons served to enter, approach, communicate with, or make use of the services of an agency, including but not limited to the need for bilingual staff, minority-specific programming, staffing patterns that reflect community demographics and adequacy of hours of operation.
- (4) "Activity" means an action performed by an agency that does not constitute a mental health service as defined in paragraph (B)(91) of this rule, and therefore does not have a cost per unit, but that is reimbursable by the department, either as an activity, e.g., research, or as a portion of the unit cost of services, e.g., administrative.

- (5) "Activity therapist" (AT) means an individual trained to assist people in developing or maintaining creative physical or social skills through participation in recreational, art, dance, drama, social and other activities.
- (6) "Administer" means the direct application of a single drug to the body of a client either by injection, inhalation, ingestion or any other means. The complete act of administration entails the following:
  - (a) Removal of an individual dose from a previously dispensed, properly labeled container;
  - (b) Verification of drug dose with the practitioner's order;
  - (c) Properly identifying the client before giving the individual dose; and
  - (d) Properly recording the time and dose given in the client's integrated clinical record.
- (7) "Administrative supervision" means to monitor the administrative aspects of a service or group of services within an agency.
- (8) "Admission" means an agency's decision to offer direct services to a person, and includes opening an integrated clinical record for the person at the time of the first admission to the agency.
