Hearing Summary Report

Incorporated Comments into Rule(s)

Indicate how comments received during the hearing process were incorporated into the rule(s).
If no comments were incorporated, explain why not.

As Mr. Sandman's comments were in support of proposed rules, no action was necessary. No changes were made as a result of Mr. Welker's comments as they relate to storm shelter requirements which are in rule 4101:1-4-01 and is not part of the rule package and proposed HB 21 would adopt a moratorium for all storm shelters including those that would be required for additions.
