Hearing Report and Summary

Consolidated Summary of Comments Received

Please review all comments received and complete a consolidated summary paragraph of the comments and indicate the rule number(s).

5160-27-03: CareSource asked if ODM will be increasing their reimbursement rate due to the increased CANS service rate.

5160-27-03: PCASO wished to encourage ODM to continue to assess whether the increased CANS rate is sufficient.

5160-59-02: Relating to the OhioRISE extended enrollment period CareSource expressed concern about the extension as clients condition may stabilize or they are not satisfied being enrolled in OhioRISE. Concern expressed that this is "mandatory" enrollment and the process for a client to self terminate is cumbersome.

Also from CareSource: Will CANS continue to be updated every 90 days as originally indicated?
