

AGENCY MEMORANDUM OF RESPONSE

To: Whitney Sullinger, Regulatory Policy Advocate, Common Sense Initiative, Office of the Governor

From: Lance Himes, Acting General Counsel, Ohio Department of Health

Date: April 26, 2012

The Ohio Department of Health (ODH) received the CSI Review of ODH's rule package for 3701-8 on April 23, 2012. Your timely review and recommendation are appreciated.

The review recommended one change to the previously submitted Business Impact Analysis. ODH will submit the attached Business Impact Analysis form with the revision, as well as this response with the proposed rules in Ohio Administrative Chapter 3701-8, when filing with the Joint Committee on Agency Rule Review.

In addition, when the rules are filed, new rules 3701-8-05, 3701-8-05.1 and 3701-8-05.2 will be renumbered to 3701-8-10, 3701-8-10.1 and 3701-8-10.2 respectively. As noted in previous communication there are some outstanding questions regarding Medicaid reimbursement rates for Home Visiting. If changes are necessary after the rules are filed with JCARR, by renumbering these rules, we would have the ability to "TBR" the Home Visiting rules (rule 3701-8-05 and the four appendices, which are proposed for rescission; and rules 3701-8-06, 3701-8-06.1 and 3701-8-06.2, which are proposed for adoption as new) and allow the other rules, including early intervention rules, to continue through the rule adoption process without delay. Therefore, our package of rules for filing with JCARR will be numbered as set forth below.

All the current rules (3701-8-01 to 3701-8-10 and appendices) will be filed for rescission. The following new rules will be filed for adoption:
