Re: Rules 4734-7-01 through 05 and 4734-10-04

Dear Ms. Steele:

This correspondence is to acknowledge receipt of your CSI memo of June 19, 2012 for the review conducted on the above referenced rules.

The Board members will discuss the review at their next meeting on July 12, 2012 where I anticipate that a non-substantive change will be made to rules 4734-7-01 and 03 prior to filing in order to address a public comment requesting a less descriptive definition of technologies used for online learning to allow for future technologies

Thank you for your comprehensive review and comments.

Sincerely,

Kelly Caudill
