**Re:** Summary of conversation with Department of Aging

On January 30, 2024, the Ohio Department of Insurance (the Department) conducted a meeting with the Ohio Department of Aging via teams. During this conversation we reviewed the comments previously submitted by Aging. It was determined we would accept the suggestions that updated terminology surrounding dementia. and benefited senior citizens, while balancing the Departments adherence to the National Association of Insurance Commissioners (NAIC) model act.

The Department is grateful for the time and expertise Aging provided.
